BTP

F1 – Creation of a task

Description : Create a task that will show up in the general to-do list or in the relevant project page. A task is composed of a name, a deadline, a time estimation and an importance estimation. Optionally, the project it belongs to, and if that task blocks/is blocked by another task.

F2 – Deletion of a task

Description : Delete a task. It will disappear from the relevant project if there is one, and will update the reward of the project accordingly.

Lien :  [DeleteTask.mp4](#)

F3 – Modification of a task

Description : Modify any information they want in a task among the ones listed in the task creation.

Lien :  [EditTask.mp4](#)

F4 – Completion of a task

Description : Mark a task as complete and get the indicated reward. The task will be deleted and disappear from the relevant lists and projects.

Lien :  [CompleteTask.mp4](#)

F5 – Creation of a Project

Description : Create a project that will show up on the dashboard and project list. A project is composed of a name, a deadline, a type (main or secondary), a time estimation and an importance estimation.

F6 – Delete a Project

Description : Delete a project with all the tasks inside. The project will disappear from the dashboard and the project list. The tasks will disappear from the account.

Lien :  **DeleteProject.mp4**

F7 - Add a task to a project

Description : Add a task to a project of his choice. The task will be visible in the project and the relevant project reward will be updated accordingly.

Lien :  **ChangeTaskProject.mp4**

F8 - Remove a task from a Project

Description : Remove a task from a Project without deleting the task entirely. The task will appear in the general list, where all tasks not linked to a project are displayed. The project reward will be updated accordingly.

Lien :  **RemoveTask.mp4**

F9 - Modification of a project information

Description : Modify any information of a project among the ones listed in the project creation. This modification will appear on the dashboard and project list.

Lien :  **EditProject.mp4**

F10 - Modification of an avatar

Description : Edit their avatar. The changes will be visible once the profile page is refreshed.

Lien :  **ChangeAvatar.mp4**

F11 - Light/Dark theme

Description : Switch between a Light and a Dark theme.

Lien :  **ChangeTheme.mp4**

F12 - Language

Description : Select the language used by the app. The changes will be visible immediately. The languages will be French and English.

Lien :  **ChangeLanguage.mp4**

F13 – Project completion

Description : Complete all the tasks in a project and get the bonus reward indicated on the project page.

Lien : 📺 [CompleteProject.mp4](#)

F14 – Level up

Description : Level up upon getting enough XP. The level up will show up on the user's profile. The next level will scale to require more XP to complete.

Lien : 📺 [CompleteTask.mp4](#)

F15 – Start timer

Description : Start a timer linked to a specific task.

Lien : 📺 [StartStopTimer.mp4](#)

F16 – Stop timer

Description : Stop a timer linked to a task and have the time logged in the task.

Lien : 📺 [StartStopTimer.mp4](#)
